Saginaw Valley ARA meeting minutes for June 2, 2017

The meeting was called to order by Brian K8HY, who lead the pledge of allegiance with members 14 present.

Gordy KC8YVD, made a motion to accept last month's meeting minutes as published in the harmonic news and was seconded by Horst. The motion passed.

Dave W8DW, made a motion to accept the treasurer's report and was seconded by Gordy KC8YVD. The motion passed.

The MS walk went well with a good turnout. Over 1000 people came out and over \$100,000 was raised. The Dow run also went well and the Midland club would like to thank all those who volunteered, your help is very much appreciated.

Care Break went well with just over \$400 net raised. This was a little less than last year but still a good take.

Ron KC8YVF, reported on Hamvention. For those lucky enough to come from the right direction traffic was not an issue. For those unlucky enough to come from the wrong direction traffic was considerably less favorable. For the most part weather was acceptable however, rain did make some areas of the convention grounds quite muddy. Overall those who attended said it was a great experience.

Preparations for Field Day were discussed including the Midland club's plan to join us.

Dave W8DW, reported on upcoming radio contests including several state QSO parties. Dave also mentioned the 80m digital net was looking for an additional net control.

Participation in the Birch run preparedness Expo was discussed. Mike K8AVJ made a motion to participate in the Expo and was seconded by Mike N8XPS. In consideration that most visitors were not from the Saginaw area it was decided that we would not purchase a giveaway weather radio this time.

The Red Cross has agreed to allow us to move the radio room from the basement, to the top floor.

Progress on the grant project was discussed as well as funding requests for additional equipment. Brian K8HY, reminded everyone of the club breakfast as well as the Ares fox hunt.

The motion to adjourn was made by Gordy KC8YVD and seconded by Emmett NE8B.

Field Day was quite successful despite the rain and the near record-breaking flooding that occurred in Midland. About 40 people showed up over the course of the event including several youth operators that made contacts. Preparing printed forms or paper logs was discussed as well as the need for several spare logging PCs to be used as needed. The outstanding professionalism of the Field Day flyer was also discussed. Great job Tom N8EUI, thank you so much.

Respectfully submitted,
